

## ADVERTISEMENT FOR BIDS

The City of Gardiner is seeking separate sealed Bids for construction of the **West Street Infrastructure Improvement Project and construction of the Pump Station No. 1 Upgrade Project.**

The Work of the West Street Infrastructure Improvement Project Contract includes, but is not necessary limited to, furnishing and installing approximately 3,400 linear feet of new 6-inch SDR 11 high density polyethylene (HDPE) force main via horizontal directional drilling. The horizontal directional drilling will include a combination of soil and rock drilling as approximated on the Plans. Limit of work for horizontal directional drilling includes the extent of West Street from the location of an existing sanitary sewer manhole near Partridge Drive to a sanitary sewer manhole at the intersection of Central Street and Cherry Street. Work shall include connection of new HDPE force main to existing 8-inch ductile iron force main (on West Street), and discharge of new HDPE force main to existing sanitary sewer manhole (at Cherry Street). Additionally, Work includes the cleaning, post-cleaning closed-circuit television (CCTV) inspection, installation of cured-in-place pipe (CIPP) spot repairs (including cutting protruding laterals, as required), and post-repair CCTV inspection of approximately 2,800 linear feet of 8-inch clay tile gravity sewer on West Street. Limit of work for CCTV inspections, cleaning, and CIPP spot repairs shall be as shown on the Plans. Work incidental to project involves test pits, excavations for spot repairs, traffic control, environmental controls, and related activities.

The Work of the Pump Station No. 1 Upgrade Project shall include replacement of two existing submersible sewage pumps at the pump station. The work shall include replacement of existing control panel, pump guide rails and rail support, upgrade of power service to the pump station, coordination of temporary pumping and power, and related activities.

Bids for these two Projects will be evaluated and awarded separately. Bids for both Projects will be received by the City of Gardiner City Manager's Office at the Gardiner City Hall, 6 Church Street, Gardiner, Maine 04345 until 2:00 PM (Local Time) on December 30, 2011 and will be publicly opened and read aloud at this time. Bids submitted after this time will not be accepted.

The Contract Documents may be examined at the following location(s) beginning on Friday, December 16, 2011:

Gardiner City Hall  
6 Church Street  
Gardiner, ME 04345  
(207) 582-4200
